

1 3/4" wide

Beams & Headers

Now Available from
Nordic Engineered Wood

High Strength, Light Weight,
the Natural Alternative to LVL

Easier to specify, easier to use in the field, Nordic glulam products are suited for a variety of applications and are made to match I-Joist, dimensional lumber or traditional glulam depths.

Our 1-3/4" wide beams are the perfect framing solution for single-ply applications such as stairwell openings or single-ply headers, saving money, time and labor. Installation is accomplished using conventional carpentry methods and tools.

Versatile & Flexible,
the 1 3/4" wide beam comes

in Depths of 18"
16"
14"
11 7/8"
9 1/2"

Bringing Nature's
Resources Home.
