

The **NI-40X**

I-joist from

**Nordic
Engineered Wood**

provides your best value in I-joists.

- **100% MSR Black Spruce**
- **Tension Proof Loaded**
- **Ease of Installation**
- **Design Flexibility**
- **Dimensional Stability**
- **Light Weight**
- **Pre-cut Knock-out Holes**
- **Dressed / Eased-edge Flanges**
- **APA Quality Assured**

Nordic's exclusive black spruce fiber highlights our product line - designed to meet builders' demands for residential and commercial construction. Nordic's unique small-block assembly process created a more reliable and uniform flange base for the complete line of joists.

The NI-40X from Nordic provides today's engineered wood solutions with features, benefits, and economic advantages of solid-sawn I-joists.
